## LIABILITY FORM

I understand that working with animals can present risks and damages to myself and my animal.

It is my responsibility to keep my dog under control at all times during training, including walking my dog to and from the car. I also agree that I alone am responsible for my dog's behaviour in the class and on the training ground. To minimise risks, I agree to disclose to the class instructor any danger or sensitivities my dog may present. I will immediately inform the instructor of any situations that may provoke aggression in my dog and I will be responsible for their care and appropriate supervision, especially around other dogs.

I will inform my instructor if I suspect my dog or any dogs in my household has a contagious illness. I will not bring my dog to the ground until cleared by the vet.

I will be responsible for clearing up after my dog and for taking the bags home.

I understand that while on club ground or participating in a club activity, I do so at my own risk and by signing this waiver I assume all risks and agree to indemnify the instructor, committee members and Golden Valley Dog Training Club from any liability or damages related to my participation.

A Parent or Guardian MUST accompany all juniors at all times on the club grounds.
